TESTIMONIALS

- ▶ CHRIS WINTERS, CMA, CFP, Cardy & Associates: "I thought everything was great about the seminar... certainly grueling and long hours, but I definitely got my money's worth with your 'crash course'... I actually ended up on the **President's List** [Nov. 2006], so I was pretty excited."
- ▶ SCOTT A. BROWN, B.Admin (Hons), CFP, Assante Financial Management Ltd., Winnipeg: "I not only passed, but also made the **President's List** [Nov. 2005] too (apparently top 5 marks of 918 who wrote and 481 who passed). I am absolutely certain that my result is due solely to the excellent instruction, materials and format of your course. Please accept my sincerest gratitude and pass my appreciation on to all the instructors."
- ▶ MARK THOMPSON, CFP, CLU, CH.F.C., EPC, Kingston Resource Centre, Kingston: "I certainly would not have made the **President's List** [Nov. 2004] if not for the Foran course and all of Foran's faculty members. Please pass along my appreciation to Ron and his team!"
